BEAGLEY'S RICE GUIDE

Aron Rice

This white, short-grain rice has a sticky texture when cooked, making it ideal for creating sushi. When you think of sushi, you think of Japan, but did you know that sushi doesn't originate from Japan, but has its roots in Southeast Asia? Back in the day, they couldn't transport fresh fish inland, so they rolled it into rice. The Japanese started eating it whole, and called it Sushi!

Aron Rice Sushi Rice has the perfect texture and beautiful white color. It's the ideal rice to use in your favorite sushi or poké bowl recipe! But it doesn't end there, as Aron Rice also produces delicious black rice and risotto rice of great quality. All packaged in beautiful designed luxurious boxes.

THANH HA

FISH SAUCE
ALL NATURAL

Real fish sauce comes from Vietnam!

The sauce is made from anchovies that are sourced at the Vietnamese island Phu Quoc, which is known for its high-quality fish. Thanh Ha's fish sauce is made from the first extraction of the fish, meaning is it at its most purest and contains the most protein and nutritional values from the fish. The fish is fermented for 18 months, which is longer than most sauces on the market. Giving it that unique taste!

แซ่บไมค์ โดย ไมค์ ภิรมยพร

Number 1 in Thailand

New Arrival!

2580 | TH Fish Sauce for Papaya Salad
Zab Mike | Packaging: 24x350ml.

This popular Thai fish sauce tastes great on papaya salads but also enhances the taste of your Somtum, Keng-om, and Khao Phud Plara for instance.

Mike Pornpirom Phintapakung, the founder of ZAB Mike, got the idea of making pasteurized fermented fish sauce after his father died of colorectal cancer due to the consumption of unsafe food products. This made Mike realize that the safety and cleanliness of this fish sauce are extremely important.

What is pasteurized fish sauce?

Pasteurizing is the process of heating a food product for a short amount of time to kill harmful bacteria. The result is a very healthy product that can be safely consumed! Pasteurizing fish before processing it into a fish sauce is a unique method, which makes ZAB Mike's Fish Sauce for Papaya Salad so special!
